

COMPARING PRODUCTS

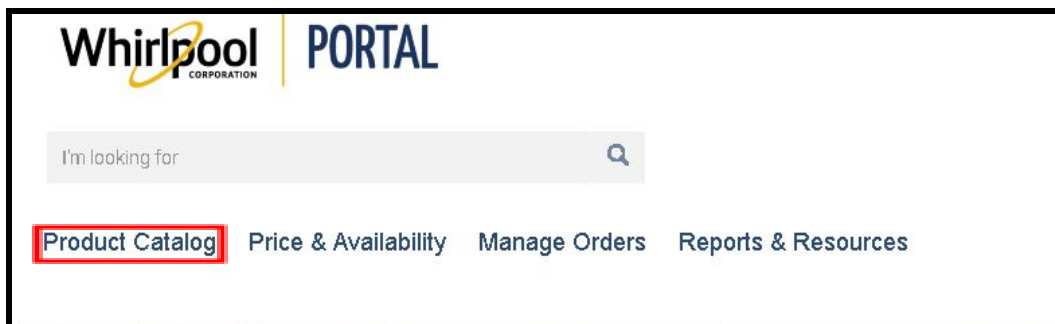

Purpose

Use this Quick Reference Guide to view the steps to compare products through the Whirlpool Portal.

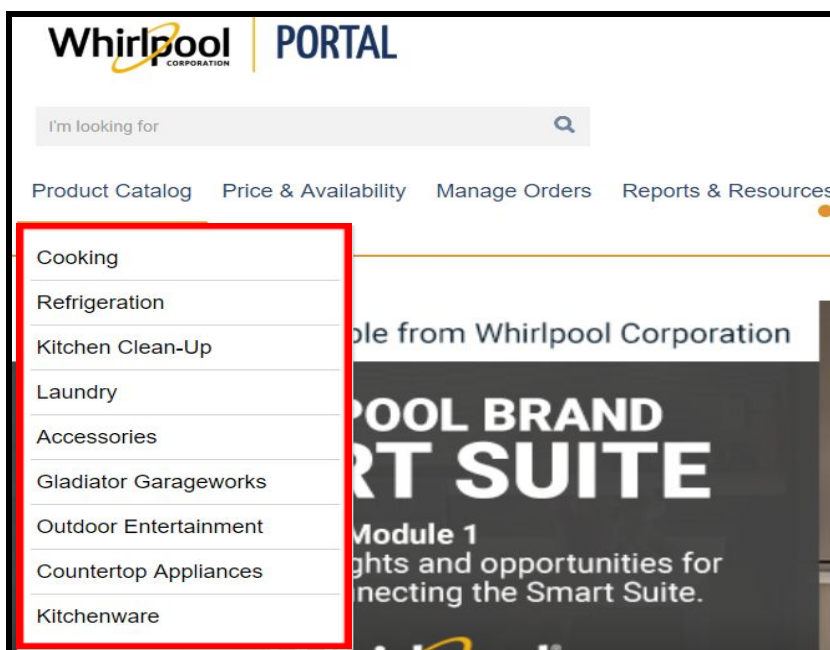

- There are three locations to select products to compare on the Whirlpool Portal:
 - Search results page
 - Product description page
 - Alternate models page

Steps

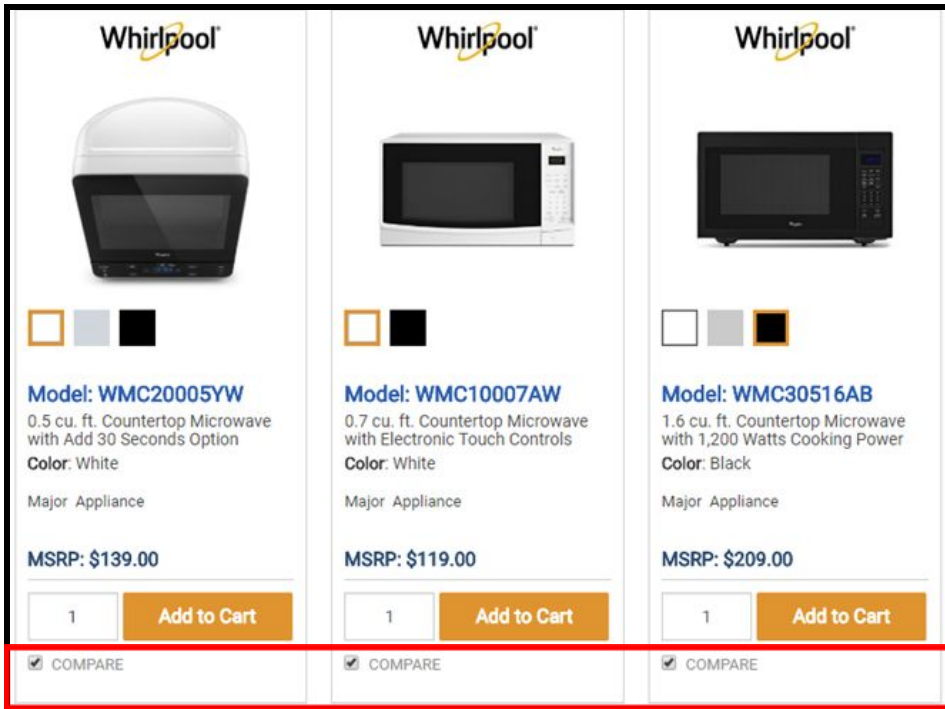

1. Start on the Whirlpool Portal **Home** page. Select the **Product Catalog** tab.

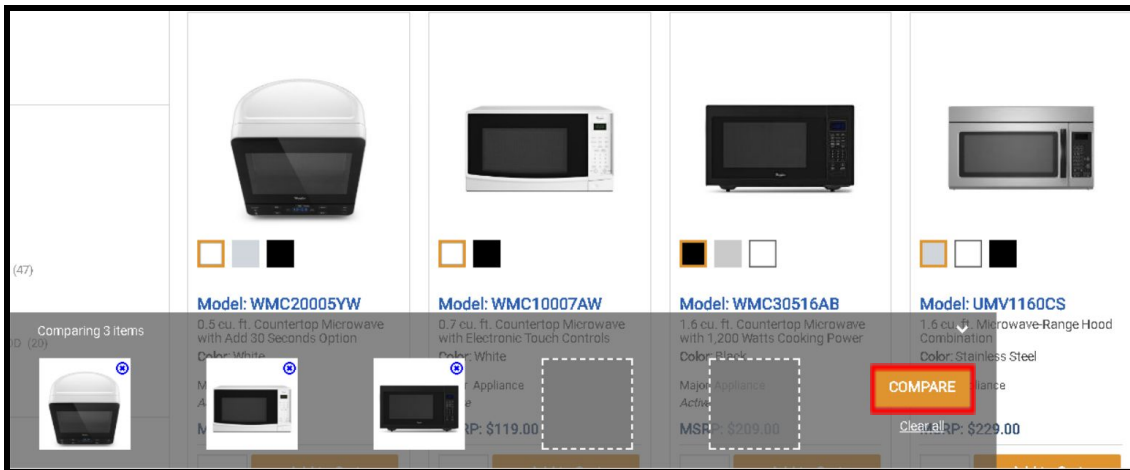

2. Select the item category.

3. Select the **Compare** checkbox of the desired models to compare.
 - Up to 5 products within the same category can be compared at one time.

4. Click **Compare**. The **Compare** page displays.

- The individual model features display under their image.
 - Adding products from different categories to the compare list does not erase previously selected products. Each product category is given its own tab.
