

RUNNING THE PENDING DELIVERIES AND ORDER STATUS REPORTS

Purpose

Use this Quick Reference Guide to view the steps to run the following reports:

- **Pending Deliveries Report** – This report lists orders that are scheduled for delivery for your account, but have not yet been delivered.
- **Order Status Report** – This report identifies the delivery status for each item in an order.

Steps: Running the Pending Deliveries Report

1. From the Whirlpool Portal **Home** page, click the **Reports & Resources** menu and select **Pending Deliveries Report**.

The report displays.

Pending Delivery Report

Delivery documents exist for these models but they have not been delivered to your location.

Please Note: The Pending Deliveries Report uses the account ZIP/Postal code on file for the account specified. For orders with a different delivery ZIP/Postal code, please view the order details for actual order information.
